BROKER CAN SHIP BIG SUGAR SUPPLY TOU. S., HE SAYS Government regulation, at 11 1-2 c a pound raw, was profiteering. "Mr. McLean and Mr. Goecker to

Arthur Williams. This price ild be, Mr. Karner said, based on ual cost plus his fair commission a broker.

The sugar in question is not unthe same control as the last crop the price would be regulated to extent by the demands of the ers," Mr. Karner said. "It probwould come into the market at t 14 cents. It would not affect price of sugar in the homes as it to to manufacturers. This d release present stocks for home option. I would expect the Board and the Food Adminisr to take every precaution not any element of profiteering in

e Food Administrator considers ortant to keep the supply of or for manufacturers as normal The sugar so used, Mr. as states, is not destroyed and sally reaches the consumer. ge in the retail market causes us inconvenience to housekeepbut shutting off manufacturing es would throw thousands of out of work. They not would have to go without sugar, everything else as well and this

York may get some of the 13,pounds of sugar now in the under control of F. H. r. No. 79 Wall Street. C. H. Secretary and Treasurer of Lewrence Refining Company de, who came to New York result of Mr. Williams' investiof offers of 1,000 tons of the which is Canadian owned, ed willingness to let or 1,500 tons go here under Gov-

nt price regulation. s is the sugar offered through phia operators and New intermediaries at around 11 a pound. This price soared gh "pyramiding" to 21 cents a

Mil Street.

Mr. Matthews said. "The port strike held up their shipments and instead of storing all their sugar, the St. Lawrence Befining Company was willing to sell 1,000 tons here at a price that would let them pick up a stock later to replace their shortage.

"I have been assured that the transportation to Sugar Equalization Board and received approval from Mr. Costello of the Sugar Equalization Board, No. 111 Wall Street, said:

"Only that part of the preposition dealing with releasing export sugar for domestic consumption was submitted here. We approved that and were very glad of the chance to get the sugar of the sugar. We did not pass on any price in the matter. The fixing of the sugar was purchased that the sugar was purchased to the sugar would be any figure set by the Sugar Board, which, although knowing of the contract, in force with the North North Color of the Sugar Board, which, although knowing of the contract, in force with the North No
